FRECCIA 60 è una piega incollatrice modulare per scatole lineari, a doppia parete e con fondo a chiusura automatica. Può essere dotata di una serie di accessori, fornibili anche in un secondo tempo, per realizzare le scatole presenti nel Libro Scatole. In particolare è fornibile con modulo raddrizzatore MBA, controllo qualità stampa fustellato e goffratura Braille.

FRECCIA 60 is a modular folder gluer for straight line, double wall, crash lock bottom. It can be retrofit even after the purchase with a lot of accessories for folding all the boxes shown in the Boxes Book. In particular it can be supplied with the MBA alignment module, the Print Check and the Braille embossing modules.
